We telefaxed the enclosed Amendment and Reply After Final Rejection to the USPTO on February 17, 2006 but have not received the USPTO's telefax acknowledging receipt. This is a resubmission of that paper together with our firm's facsimile transmittal communication result report showing that the transmittal was received on February 17, 2006. The transmission was directed to the attention of Primary Examiner A. Hoosain. We have since learned from S.P. Examiner F. Tsang that Mr. Hoosain has retired and that Examiner Alam Elahee has been assigned this application.

Please confirm that the enclosed document was received by the USPTO on February 17, 2006
